fixed price

and food menu

How it works:

- The arrangement lasts 3.5 hours. Want to stay longer? No problem, you will pay €5 per person for each additional half hour.
- The card standing upright on the table = ready to order (for dishes, drinks, & the bill).
- The card flat on the table = no service needed.
- You may order 1 dish per person per round. For each round, your table must choose between cold dishes and soups or hot dishes.
- In addition to our drinks arrangement, we offer a variety of special wines, liqueurs, and cocktails at near-cost prices.
